

Super Hero Dance : Making a DIFFERENCE

“Your life is a message to the world. Make it inspiring”

Mentor Application: **I Make A Difference!**

Thank you for taking the first steps to make a difference in our community and the life of another student. This dance will leave you mentally and physically exhausted but with an adrenaline rush from knowing that you made a difference!

The theme of the dance is “*Super Heroes Making a Difference*”. We will be giving out themed shirts, which you will be required to wear on the day of the dance with a nice pair of jeans. Do not forget that the complete focus of this dance is our guests, so please remember to be an enthusiastic host, **give 110% towards our guests**, and to help clean up afterwards.

On February 12th (day of the dance), you will miss part of 1st period, 2nd period, and a portion of 3rd period. Your teachers must approve of your absence for all three periods, and you must submit a completed field trip form.

Before, during, and after the dance, there are responsibilities all mentors must carry out. Mentors are responsible for showing up to the mentor meeting, and assisting with the set-up **AND** clean-up of the event. Theme t-shirts will be given out at the dance meetings on Tuesday, February 7th from 7:45 to 8:15 and February 9th from 3:30 to 4:00.
